## NUMÉROS D'HABITATION : LE SUMMUM DU RAFFINEMENT

VERRISSIMA vous propose d'associer à votre panneau de porte, un élégant numéro d'habitation en verre 44/2 feuilleté trempé, monté sur entretoises en inox. Votre espace d'entrée sera coordonné, haut de gamme et révélera tout le raffinement des propriétaires de la maison. Vous pourrez opter pour un style :

- Contemporain avec un numéro carré 200 x 200 mm, impression gris anthracite sur effet dépoli qui s'accordera avec tous les panneaux.
- Affirmé avec un numéro de 300 x 200 mm reprenant sur sa partie gauche et dans le numéro proprement dit, un détail de l'œuvre d'art de votre panneau sur effet dépoli.

- En verre 44/2 feuilleté trempé (8,76 mm)
- Posé avec 4 entretoises inox 20 mm (fournies)
